"The best holiday activity you can bring to your kids, loads of fun, sports, knowledge. Best of all a great crew, fun, active, attentive and would look after your kids as if you are around them. Would not hesitate to enrol my kid again!"

"Kids are happy, Mum, Dad and Gran are happy, a great holiday activity, and my kids get to meet and form new friendships!!!! Definitely will be back next school holidays. Thank You"

"My 9yo daughter was at the camp for one week. I was referred by a friend whose two kids loved it. For the whole week she was at the camp, all she did was gush about how much fun it was, how great the activities were and how great the coaches were! She had an amazing time and loved the rock climbing day as it was the first time she had tried it! Will absolutely enrol her again and would absolutely recommend it to everybody!"
